

The Alex De Grassi Signature Model

Grammy nominated artist Alex De Grassi's fingerstyle exploits convey the greatest emotion from even the quietest moments. A talented improvisational artist, his contemplative work conveys exceptional clarity and subtlety, and we are very proud to celebrate decades of collaboration with this masterful player.

"Alex has been playing Lowden since the early eighties and it is befitting of his exceptional talent that we mark this relationship with his signature model. This beautiful guitar has a full, round, 'jazz like' tone and yet it has much more sustain, clarity and sensitivity than an arch top guitar."
